Junior Achievement teaches kids how business works

The purpose of Junior Achievement is to inspire and prepare young people to succeed in a global economy through entrepreneurship, financial literacy, and work readiness.

Volunteer business consultants use JA curriculum to teach business and economics as well as share their real-life experiences with students.

All expenses for program operations in the Chippewa Valley are funded through donations by businesses, foundations, organizations, individuals and participating school districts.

Let Their Success Be Your Inspiration!

thank you

Junior Achievement would like to thank you for your support through the Free Enterprise Invitational.
